

**PECO Energy Company
Default Service Program RFP
January 2013 Solicitation**

General Information

Bid Date: Tuesday, January 29, 2013

Template Information:

In addition to this 'General Information' sheet, this Bid Form contains the 'Bids' sheet. The 'Bids' sheet is for entering Bids for the all products.

Bidder Information:

Company Name	
Contact Name	
Phone Number	

Bidder Information is incomplete. All fields are mandatory.

Class & Product Information:

A "Class" is a grouping of PECO's retail customers. PECO will procure full requirements products for four (4) Classes under this RFP: Residential ("RES"), Small Commercial ("SC"), Medium Commercial ("MC"), and Large Commercial and Industrial (LC&I).

Number of tranches available		
Class (Product)	Supply Period	Available Tranches
Residential (RES-24-Jun13)	June 2013 - May 2015	7
Small Commercial (SC-12-Jun13)	June 2013 - May 2014	12
Medium Commercial (MC-6-Jun13)	June 2013 - November 2013	12
Large Commercial & Industrial (SC-12-Jun13)	June 2013 - May 2014	18

The Load Caps for a Class are set so that the customers of that Class have no more than a 50% exposure to any one Default Supplier at any given time. The Load Caps apply to the list of products that contribute to Default Supply for a Class at a given point in time. The Load Cap for an RFP Bidder that is a Default Supplier will take into account tranches won in previous solicitations.

R Class: An RFP Bidder is limited to 17 tranches for the RES-6-Jun13, RES-12-Jun13, RES-18-Jun13, and RES-24-Jun13 products combined. An RFP Bidder may bid on all available tranches for the RES-24-Jun13 product in the January 2013 Solicitation unless the RFP Bidder won more than 10 Residential tranches in the November 2012 Solicitation. In that case, the RFP Bidder would be limited to bidding on 17 tranches less the number of tranches won in the November 2012 Solicitation.

SC Class: An RFP Bidder is limited to 12 tranches for the SC-6-Jun13 and SC-12-Jun13 products combined. An RFP Bidder may bid on all available tranches for the SC-12-Jun13 product in the January 2013 Solicitation unless the RFP Bidder has won Small Commercial tranches in the November 2012 Solicitation. In that case, the RFP Bidder would be limited to bidding on 12 tranches less the number of tranches won in the November 2012 Solicitation.

MC Class: In the January 2013 Solicitation, an RFP Bidder is limited to 6 tranches for the MC-6-Jun13 product.

LC&I Class: In the January 2013 Solicitation, an RFP Bidder is limited to 9 tranches for the LC&I-12-Jun13 product.

Complete and Sign Certification:

I, _____, certify under penalty of perjury that I am authorized to submit these Bids.

By affixing my electronic signature below I understand and agree with the following: Any Bid on any product submitted in response to this RFP for this solicitation is binding until six (6) business days after the Bid Date and constitutes a binding and irrevocable offer to provide service under the terms of the Default Service Program Supply Master Agreement at the price specified in the Bid.
