Re: PECO Energy Company  
Results of September 2025 Request for Proposals Process

Dear Mr. Webster:

On September 23, 2025, PECO Energy Company (PECO) filed the results of its Request for Proposals (RFP) Process and Rules for the DSP VI September 2025 Solicitation for provider of last resort service. The filing includes bid results for a Full Requirements RFP for Residential and Small Commercial customers who receive default service from PECO during the period December 1, 2025, through November 30, 2027.

This filing was submitted in accordance with the RFP Process and Rules filed by PECO on February 2, 2024. The RFP Process and Rules were approved in the Commission's Opinion and Order, entered November 7, 2024, at Docket No. P-2024-3046008.

PECO requests that the Commission approve the bid results of the September 2025 Solicitation on or before September 25, 2025.

Further investigation does not appear to be warranted at this time, since the results of the DSP VI September 2025 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct PECO to disclose the results of this September 2024 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010, at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

A handwritten signature in black ink, reading "Matthew L. Homsher". The signature is written in a cursive style with a large, stylized "M" and a long, sweeping underline.

Matthew L. Homsher
