Re: PECO Energy Company  
Results of March 2016 Request for Proposals Process

Dear Mr. Crowe:

On March 9, 2016, PECO Energy Company (PECO or the Company) filed the results of its Request for Proposals (RFP) Process and Rules for the March 2016 Solicitation for provider of last resort service. The filing includes proposed bid results for a Full Requirements RFP for Residential, Small Commercial, Medium Commercial and Large Commercial & Industrial customers who receive default service from PECO during the period June 1, 2016 through May 31, 2018.

This filing was submitted in accordance with the RFP Process and Rules filed by PECO on March 10, 2014. The RFP Process and Rules were filed pursuant to the Commission's Opinion and Order, entered December 4, 2014, at Docket No. P-2014-2409362.

PECO requests that the Commission approve the bid results of the March 2015 Solicitation on or before March 10, 2016.

Further investigation does not appear to be warranted at this time, since the results of the March 2016 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

In addition, we direct PECO to disclose the results of this March 2016 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Anthony Rametta, Energy Division Supervisor, Bureau of Technical Utility Services, at (717) 787-2359.

Sincerely,  

Rosemary Chiavetta  
Secretary
