FOR FULL REQUIREMENTS PRODUCTS
PART 2 DATE: June 9, 2009**

PECO Energy Company (“Company” or “PECO”) is intending to obtain full requirements electric supply to meet a portion of its obligations as Default Service Provider through this Request for Proposals (“RFP”). PECO is also intending to purchase blocks of energy through a second RFP. Whenever necessary to avoid confusion, these two RFPs will be referred to as the “Full Requirements RFP” and the “Block Energy RFP” respectively.

This Part 2 Form is the only form that may be used to submit a Part 2 Proposal in the Full Requirements RFP. The only form that may be used to present a Part 2 Proposal for the Block Energy RFP is a different and separate document entitled “Block Energy Part 2 Form”. In the present document, “Part 2 Form” designates the “Full Requirements Part 2 Form” unless specifically stated otherwise.

Before completing this Part 2 Form, please review the RFP including the Default Service Program Supply Master Agreement so that you understand the conditions under which the RFP will be conducted. These documents are posted at www.pecoprocedure.com when they become available.

By having submitted a Part 1 Proposal in response to this RFP, you agreed to all terms and conditions of this RFP.

Any information provided by an RFP Bidder in this Part 2 Proposal is provided on a confidential basis to the Independent Evaluator, and may be provided on a confidential basis to the Staff of the Pennsylvania Public Utility Commission (“Commission”). PECO representatives will review the information provided to fulfill the requirements of Section 4 and Section 5, and will participate in the evaluation of the Pre-Bid Letter of Credit with the name of the RFP Bidder and the amount redacted.
