Re: PECO Energy Company. – Results of Request for Proposals Process  
Results for the June 2009 RFPS

Dear Mr. Crowe:

On June 16, 2009, PECO Energy Company (PECO or Company) filed the results of its Request for Proposals (RFP) Process and Rules, from the June 2009 RFP process, for provider of last resort service. The filing includes proposed bid results for residential customers electing to receive default service from PECO during the period January 1, 2011 to May 31, 2014. The filing includes results for both a Full Requirements RFP process and a Block Energy RFP process.

This filing is submitted in accordance to the RFP Process and Rules approved in the Commission Order entered June 2, 2009, at Docket No. P-2008-2062739. PECO filed its Petition requesting that the Commission approve the Company's Default Service Program and Rate Mitigation Plan to establish rates, terms and conditions for the provision of default service for the period January 1, 2011 through May 31, 2014 on September 10, 2008.

PECO requests that the Commission approve the bid results of the June 2009 RFP process on or before June 17, 2009.

Further investigation does not appear to be warranted at this time, since the results from the June 2009 RFP process appear to have been conducted in accordance with the RFP Process and Rules, filed pursuant to the Commission's Opinion and Orders.

Therefore, we approve the bid results submitted for the June 2009 RFP process.

Please direct any questions to Paul Diskin, Energy Manager, Bureau of Fixed Utility Services, at (717) 214-5558.

Sincerely,
