Class & Product Information:

A "Class" is a grouping of PECO's retail customers. There are four Classes: Residential ("R"), Small Commercial ("SC"), Medium Commercial ("MC"), and Large Commercial and Industrial ("LC&I"). The Load Cap for a Class and an RFP Bidder is set so that the customers of that Class have no more than a 65% exposure to any one Default Supplier at any given time. For each Class, the number of tranches bid by an RFP Bidder cannot exceed the Load Cap.

LC&I Class. RFP Bidders that did not have winning Bids in a previous solicitation for the LC&I class can bid up to the available number of tranches. For RFP Bidders who are current Default Suppliers for the LC&I class, bidder-specific Load Caps were provided in the Initial Status Notification if applicable.
